Experience

Nov 2021- Present
HDTc Media
Video Editor

I worked on videos and promos for major Emirati conferences and provided full video coverage for them, and I was the main individual in the media production department in the company.

2022 - Present
Combiners Group
Video Editor

Then I moved to the field of videos and photography in general and video editing in particular. I became a professional in the field and worked on videos for great celebrities such as Ibrahim Fayek and many football players, and I worked on podcasts and most types of videos.
